

Website & SEO Service Plans

Hoag Land Services · hlsdeland.com

Prepared for: **Tyler Hoag**, Hoag Land Services, LLC | Date: June 2026

The following service plans cover the ongoing work that keeps your website running, secure, and ranking. Each plan builds on the one below it. Choose the level of service that fits your goals and budget — you can move between plans at any time.

Choose Your Plan

Lights-On

\$500 / mo

Keep the site live, secure, and online.

- Hosting + infrastructure
- Security + uptime monitoring
- Bug fixes when issues arise
- Quarterly check-in
- No proactive content or SEO work

Care+

\$1,000 / mo

Lights-On plus light proactive work.

- Everything in Lights-On, plus:
- 1 content update per month
- Monthly Search Console report
- 1 Google Business Profile post
- 2 hours support time included
- Storm-season prep (annual)
- Review-response writing

Growth

\$2,000 / mo

Care+ plus active SEO and growth work.

- Everything in Care+, plus:
- Active SEO + indexing requests
- New city + service pages
- Service category expansions
- Google Business Profile management
- Monthly performance reporting
- Priority response on issues

Plan Comparison

What is included	Lights-On \$500 / mo	Care+ \$1,000 / mo	Growth \$2,000 / mo
